

PARTNERSHIP OPPORTUNITY

Thank you for your interest in partnering with the Houston Humane Society to save lives. Below are ways to collaborate with us through Outreach at the Houston Humane Society.

OPTION #1

Collaborate with having 2-4 dogs/cats at your events. As a non-profit we solely rely on donations and typically request a \$150 donation fee which covers vetting of our animals, staffing and transportation for the event.

OPTION #2

Collaborate with having us attend your location/event and collaborate on a social media post and have a certain percentage of proceeds donated to our organization.

OPTION #3

Partners choice! We love to hear new ideas! Customize your very own opportunity and ways to help animals in Houston.
